The test method administered at the site is meant to demonstrate conformance with the above-captioned test, but is not indicative of, nor intended to reflect, the performance of the fabric under actual use conditions. Such test has not been administered under the exact production or laboratory conditions which might be established or maintained by an officially certified or governmentally approved testing facility and accordingly, the test results, if tested by such officially certified or governmentally approved testing facility, may differ. TSG Incorporated's responsibility to its customers or any other person or entity who purchases or sells out of lots or damage suffered, sustained or required to be paid as a result of the performance of its fabric under actual use conditions. This certificate is intended to reflect the performance of the samples tested under the test conditions which were used, which may be a deviation of the results which would be obtained at an officially certified or governmentally approved testing facility. This certificate applies only to the samples tested. Unless otherwise specified, this certificate and any reports and letters with respect to the test conducted are for the exclusive use of the customer identified in the certificate and are not to be used for dissemination to others without our express prior written consent. Samples not destroyed in testing may or may not be retained by us at our sole discretion.
